

Tips on Running a Safe Party

~Noise~

Keep guests from loitering outside
If they're not on the guest list, move on
Prevent your guests from drinking outside
If you can hear the music from the street, so can your neighbors
Turn the music down after midnight

~Numbers~

Guest limit of 150
Create a guest list (n guests per brother)
No open parties
Postering increases your risk *greatly* and is prohibited

~Control~

Non-drinking party monitors
If they've been drinking, don't let them in
Wristbands for all guests over 21
Alcohol should be attended at all times
Remember, serving someone underage puts your fraternity at risk.

Remember the food and snacks.
Consider having a theme for the party.
The focus should not be on the alcohol.
Review your Inter/National Risk Management Policy.

Don't forget to register your party!

Thursday parties must be registered by Wednesday at 5:00 p.m.
Weekend parties must be registered by Thursday at 4:00 p.m.
